

If you don't have owner portal access, please let us know so we can unlock access.

After we unlock access, you'll be emailed an auto-generated password within a few minutes. The subject line will read as: "PropertyWare owner portal access".

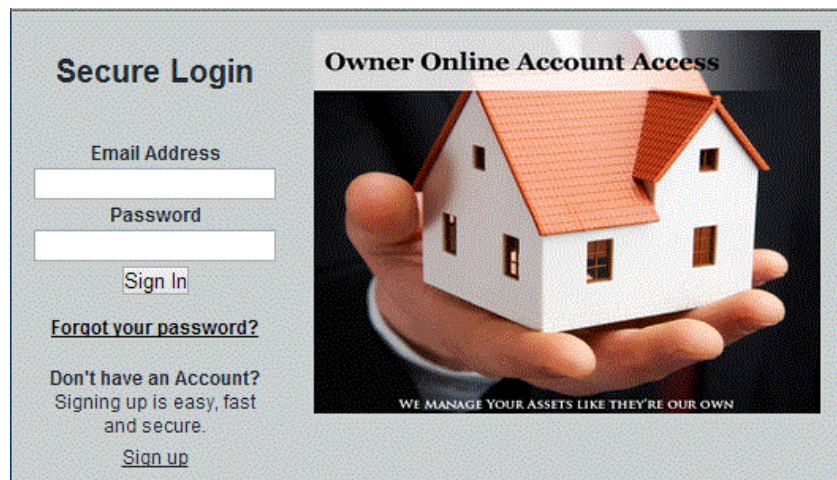

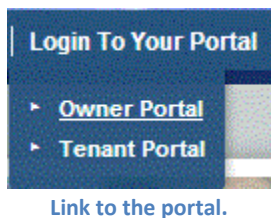

We would love to help you, our owner, activate the Owner Portal access. This will enable you to:

- Pay your bills online.
- See a copy of the property management agreement and monthly invoicing.
- View various documentation or paperwork submitted during the course of your stay with our property management team.
- Maintain contact with the team dedicated to maintaining your property.

Visit your owner portal now!

1. Go to our website at <http://www.kenravago.com>
2. Hover your mouse pointer over "Login To Your Portal" and click on the "Owner's" link.
3. Enter your email address and the password that was emailed to you. If you don't have the password or forgot it, click the "Forgot your password" link, fill in the fields, and our system will issue a new one.
4. Once you are logged-in, you can change the password to something you'll remember easier as well as view all your documents.

After we have unlocked access, this is what you'll see.
